UBISOFT

PRECAUTIONS

This disc contains software for the PSP™ (PlayStation®Portable) system. Never use this disc on any other system, as it could damage it. Read the PSP™ system Instruction Manual carefully to ensure correct usage. Do not leave the disc near heat sources or in direct sunlight or excessive moisture. Do not use cracked or deformed discs or discs that have been repaired with adhesives as this could lead to malfunction.

Push down one side of the disc as shown and gently pull upwards to remove it. Using excess force to remove the disc may result in damage.

Place the disc as shown, gently pressing downwards until it clicks into place. Storing the disc incorrectly may result in damage.

HEALTH WARNING

Always play in a well lit environment. Take regular breaks, 15 minutes every hour. Discontinue playing if you experience dizziness, nausea, fatigue or have a headache. Some individuals are sensitive to flashing or flickering lights or geometric shapes and patterns, may have an undetected epileptic condition and may experience epileptic seizures when watching television or playing videogames. Consult your doctor before playing videogames if you have an epileptic condition and immediately should you experience any of the following symptoms whilst playing: altered vision, muscle twitching, other involuntary movement, loss of awareness, confusion and/or convulsions.

PIRACY

The PSP™ system and this disc contain technical protection mechanisms designed to prevent the unauthorised reproduction of the copyright works present on the disc. The unauthorised use of registered trademarks or the unauthorised reproduction of copyright works by circumventing these mechanisms or otherwise is prohibited by law.

If you have any information about pirate product or methods used to circumvent our technical protection measures please email anti-piracy@eu.playstation.com or call your local Customer Service number given at the back of this manual.

PAN EUROPEAN GAMES INFORMATION (PEGI) AGE RATING SYSTEM

The PEGI age rating system protects minors from games unsuitable for their particular age group. PLEASE NOTE: it is not a guide to gaming difficulty. For further information visit www.pegi.info.

Comprising three parts, PEGI allows parents and those purchasing games for children to make an informed choice appropriate to the age of the intended player. The first part is an age rating:-

The second part of the rating may consist of one or more descriptors indicating the type of content in the game. Depending on the game, there may be a number of such descriptors. The age rating of the game reflects the intensity of this content. The descriptors are:

The third part is a label indicating the game can be played online. This label may be used only by online game providers who have committed to uphold standards which include the protection of minors in online gameplay:-

For further information visit

www.pegionline.eu

SYSTEM SOFTWARE UPDATES

This PSP™Game includes System Software update data for the PSP™ system. An update will be required if an "update request" message is displayed on-screen at game start-up.

Performing a System Software update

The update data is displayed with the icon shown here on the Home Menu.

By following the on-screen instructions, you can update the System Software of the PSP™ system. Before performing the update, check the version number of the update data.

- During an update, do not remove the AC Adaptor.
- During an update, do not turn off the power or remove the PSP™Game.
- Do not cancel the update before completion as this may cause damage to the PSP™ system.

Checking that the update was successful

Select "Settings" from the Home Menu, and then select the "System Settings" option. Select "System Information" and if the "System Software" version number displayed on-screen matches the version number of the update data, then the update was successful.

For details on System Software updates for the PSP™ system, refer to the following website: eu.playstation.com

PARENTAL CONTROL

This PSP™Game software has a preset Parental Control Level based on its content. You can set the Parental Control Level on the PSP™ system to restrict the playback of a PSP™Game with a Parental Control Level that is higher than the level set on the PSP™ system. For more information, please refer to the PSP™ system Instruction Manual.

This game is classified according to the PEGI rating system. The PEGI rating marks and content descriptors are displayed on the game package (except where, by law, another rating system applies). The relationship between the PEGI rating system and the Parental Control Level is as follows:

PARENTAL CONTROL LEVEL	PEGI RATING AGE GROUP
9	18
7	16
5	12
3	7
2	3

In rare cases, the Parental Control Level of this product may be higher than the age rating which applies in your country, because of differences in the age rating systems in the various countries in which this product is sold. You may need to reset the Parental Control Level on your PSP™ system to enable play.

ULES-01302

FOR PERSONAL USE ONLY: this software is licensed for play on authorised PSP™ (PlayStation®Portable) systems only. All unauthorised access, use or transfer of the product or its underlying copyright and trademark works is prohibited. See eu.playstation.com/terms for full usage rights. Library programs ©1997-2009 Sony Computer Entertainment Inc. exclusively licensed to Sony Computer Entertainment Europe (SCEE). RESALE AND RENTAL ARE PROHIBITED UNLESS EXPRESSLY AUTHORISED BY SCEE. PlayStation®Network subject to terms of use and not available in all countries and languages. Broadband internet service required. Users are responsible for broadband access fees. WIRELESS (WLAN) FEATURES

Software titles that support Wireless (WLAN) functionality allow the user to communicate with other PSP™ systems, download data and compete against other users via connection to a Wireless Local Area Network (WLAN).

AD HOC MODE

Ad Hoc Mode is a Wireless (WLAN) feature that allows two or more individual PSP™ systems to communicate directly with each other.

GAME SHARING

Some software titles feature Game Sharing facilities which enable the user to share specific game features with other users who do not have a PSP™ Game in their PSP™ system.

INFRASTRUCTURE MODE

Infrastructure Mode is a Wireless (WLAN) feature that allows the PSP™ system to link to a network via a Wireless (WLAN) Access Point (a device used to connect to a Wireless network). In order to access Infrastructure Mode features, several additional items are required, including a subscription to an Internet Service Provider, a network device (e.g., a Wireless ADSL Router), a Wireless (WLAN) Access Point and a PC. For further information and setting up details, please refer to the PSP™ system Instruction Manual.

GETTING STARTED

Set up your PSP™ (PlayStation®Portable) system according to the instructions in the manual supplied with the system. Turn the system on. The power indicator lights up in green and the home menu is displayed. Press the OPEN latch to open the disc cover. Insert Cover Girl disc with the label facing away from the system, slide until fully inserted and close the disc cover. From the PSP™ system's home menu, select the Game icon and then the Universal Media Disc icon. A thumbnail for the software is displayed. Select the thumbnail and press the **X** button of the PSP™ to start the software.

Follow the on-screen instructions and refer to this manual for information on using the software.

NOTICE: Do not eject a PSP™Game while it is playing.

NOTES:

- Please select your preferred language from the system's settings menu before commencing play.
- This title uses an autosave feature, please do not turn off the system while the Memory Stick Duo™ access indicator is flashing.
- This title uses an autoload feature, please do not turn off the system while the Memory Stick Duo™ access indicator is flashing.
- Please ensure you have sufficient free space on your Memory Stick Duo™ before commencing play.

MEMORY STICK DUO™

To save game settings and progress, insert a Memory Stick Duo™ into the Memory Stick Duo™ slot of the PSP™ system. Saved game data can be loaded from the same Memory Stick Duo™ or any Memory Stick Duo™ containing previously saved game data.

INTRODUCTION

From the Editor

Cover Girl is SO much more than a magazine!

Liberate the Truly Fabulous Female in you.

THE GAME

SUBSCRIPTION

To start receiving Cover Girl magazine, you have to fill in a short subscription form.

- Using the directional buttons and the **X** button to confirm, enter your name, your date of birth, and the type of music you like to listen to.

- To enter your name, move the cursor across the keyboard using the directional buttons.

- Press the **X** button to choose a letter.
- When you have spelled out your name, place the cursor on the OK key and press the **X** button.
- To enter your date of birth, change the numbers with the **↑** button and the **↓** button and switch between columns using the **→** button and the **←** button.

- Press the **X** button when you find your birthday.
- You will also be asked to choose from three different fashion style models.
- The model you choose will accompany you throughout your Cover Girl experience, and will be on hand to give you help, advice, or feedback on your progress.

MAIN MENU

Every time you return to Cover Girl, you'll be brought directly to the Main Menu.

Don't be surprised if this changes from time to time...

From the Main Menu, you can choose between:

- My Mags
- My Progress
- My Favourites
- The 3G's
- My profile

MY MAG'S

In Cover Girl, you get to decide which cover stories, games, or themes are featured in each magazine. Every time you access a new magazine, you have to answer a few simple questions. The answers you give in this short quiz determine the content of your next magazine.

Each magazine contains two unique cover stories with fun quizzes, helpful tips, real-life testimonies, and various activities and games. From the Contents Page, you can choose the cover story you're dying to read or simply browse through each page of the magazine using the **L** button and **R** button.

You can choose from:

Latest Mag: Magazine you are currently reading and haven't yet completed.

Back Issues: All previously read magazines.

Special Editions: Bonus magazines.

Downloads: Magazines downloaded from the PlayStation®Store.

Note: Once you unlock a new magazine, your previous one is stored and accessible whenever you want from the Back Issues menu.

MY FAVOURITES

- You can mark any page you want to return to by saving it to My Favourites.
- Any time you see the  button, simply press it and add the cover story, quiz, Hints 'n Tips, real-life testimony, or Decoding Your Dude feature you want to your My Favourites list.
- You can access these marked pages anytime you want from My Favourites on the Main Menu.
- When you add an item to your My Favourites list, it will be shown by the filled-in star symbol next to  button Favourites.

- Be careful; you can only save up to 20 items in each list. If you try to add more you will be asked to delete one first.

At the end of each magazine, you will be shown how close you are to becoming a Truly Fabulous Female based on the activities and games you played.

SPECIAL EDITIONS

Occasionally, a new Special Edition magazine will be made available; these are bonus magazines that deal with one specific subject.

- When a Special Edition is available, a message will appear the next time you enter the Main Menu.
- You can then access your Special Edition directly from the Special Editions screen.

QUIZZES

In Cover Girl, you'll find dozens of quizzes to help you liberate the Truly Fabulous Female in you.

- To answer the questions, use the directional buttons to choose an answer.
- Press the **X** button to confirm your choice.
- To exit a quiz, simply press the **O** button to open the Options menu.

MY PROGRESS

There is a Truly Fabulous Female in you – and this is where you can prove it! The more magazines you read – completing the quizzes and games – the closer you get to the ultimate position of Truly Fabulous Female.

MY FAVOURITES

Here, you can access all the features, tips, quizzes, etc. you have stored. Anything you have stored is shown according to when you saved it. The most recent will be on top of the list. You can store up to 20 items in each category.

THE 3G'S

Access the Games, Gizmos, and Gadgets you have previously unlocked in your magazines here.

MY FAVOURITES

Here, you can access all the features, tips, quizzes, etc. you have stored. Anything you have stored is shown according to when you saved it. The most recent will be on top of the list. You can store up to 20 items in each category.

GAMES

Cover Girl features five Truly Fabulous games:

REVEAL HIM

Hangman has never been so fun.

- Use the **←** button and the **→** button to scroll through the alphabet.
- Choose the letter you want by pressing the **X** button.
- You have a limited number of chances to figure out the word.

- Need a hint? Press the  button. Don't let the photo fool you though; it doesn't show the word you're looking for.

DO-U-SU-DO-KU?

Test your logic skills in a Sudoku puzzle, with three different types of grids and three levels of difficulty.

- Move the cursor to the square you are interested in by using the directional buttons.
- Press the  button to open the selection grid, select the number you want, and press the  button again. Your number choice now appears in the grid.
- If you've made a mistake, the number will appear in red.
- To erase a number, select the number you want to remove using the  button and an eraser will appear; press the  button again to remove the number.

COUPLE SUTRA

Find the matching positions in this Kama Sutra-inspired memory game.

- Using the directional buttons, move the cursor to choose a medallion and press the  button to turn it over.
- Find the medallion with the matching image.
- As soon as you clear the screen, some Kama Sutra-inspired knowledge is available to read.

SEDUCE HIM

Pick up all the men on the dance floor.

- Shimmy across the dance floor using the directional buttons.
- Each time you touch a man, he joins your ever-growing line of admirers.
- Your goal is to collect as many men as possible.
- If you touch a wall, an obstacle, or your line of admirers, your seduction charms fail and the game is over!

JEWEL SONG

Use the directional buttons to choose a free jewel that interests you.

- Press the  button to select it.
- Next, find its matching jewel and press the  button again.
- If the jewels match and are free, they will both disappear from the board.
- A jewel is considered "free" when no other jewel blocks it from above, from the left, or the right.
- If you find yourself blocked, choose Shuffle jewels from the Options menu. The jewels left on the board will be mixed up and you can continue the game.

Note: If you access any of these games directly from the 3G's menu, you can change the difficulty level by opening the Options menu.

GIZMOS

SEX-O-METER

Just how adventurous are you? Discover just how wild you are... or aren't! Select the answer you prefer using the  button and the  button and confirm your choice with the  button.

LOVE-METER

How compatible are you and your other half? With this test, discover if you're really a match made in heaven. Select the answer you prefer using the  button and the  button and confirm your choice with the  button.

TAROT-ETTE

Get some insight into your life. Using the ◀ button and ▶ button to select a card and press the ⊗ button to make your choice. Choose three cards and access your prediction.

GADGET

The Size Converter is a useful aide if you're planning a trip overseas or you're online shopping on foreign websites.

- Use the directional buttons to choose between Paris, London, Milan, Tokyo, and New York. This is your country of reference.
- Using the directional buttons, input your bra, top, waist, and shoe size.
- Press the ⊗ button to convert the sizes.
- Scrolling between the other countries shows you what your size would be in that country.

Note: To exit any of the 3G's, simply press the ● button to open the Options menu.

DOWNLOADS

Three totally new, additional magazines are available for download from the PlayStation®Store directly to your PSP™ system whenever you're using a wireless Internet connection (requires a PlayStation®Network Account and a PSP™ system with Internet connection).

- Select PlayStation®Store system's Home menu under PlayStation®Network, then go in the PSP™ Games section, and look for Cover Girl additional content.
- Choose whichever of the three free downloadable magazines you prefer: Confidence, Diplomacy, or Positive Attitude.
- Download them to your Memory Stick Duo™ and launch Cover Girl:
- Go to My Mags and Downloads, and your new magazine will now be available to read.

TECHNICAL SUPPORT

If you experience difficulties playing your Ubisoft game, please first contact our 24-hour on-line solution centre at www.ubi.com/uk.

Our 24-hour automated telephone service is available on **0871 664 1000** (10p per minute).

The Live service option is available from 11 am until 8 pm, Mon-Fri (excluding bank holidays).

Please make sure you are in front of your pc when calling our support team to enable us to troubleshoot your query for you.

FAULTY GAME:

If you believe your game is faulty, please contact our support team before returning your product to the retailer. A discrepancy between your operating system and the required game specifications may result in errors during game-play, such as: your screen returning to desktop or freezing, serky graphics or error messages.

DAMAGED GAME:

If your game is damaged when purchased, please return it to your retailer with a valid receipt.

If your receipt has expired and you are within the 90 day warranty period, please contact the Ubisoft support team for verification.

AUSTRALIAN TECHNICAL SUPPORT

Technical Support Info Hotline

1902 262 102

(calls are charged at \$2.48 per minute including GST. Higher from public and mobile phones).

Please note that we do not offer hints & tips at our technical support centre.

WARRANTY

Ubisoft guarantees to the original purchaser of this computer software product that the compact disc (CD)/cartridge supplied with this product shall not show any default during a normal use period of ninety (90) days from the invoiced date of purchase. In the first instance please return the faulty product to the point of purchase together with your valid receipt. If for any reason this is not possible, (and it is within 90 days of the purchase date), then the faulty compact discs/cartridges should be returned to Ubisoft at the below address, along with a dated receipt, location of purchase, a statement describing the fault, and all original packaging.

Address for returns:

Ubisoft, Chertsey Gate East, London Street, Chertsey, Surrey, United Kingdom, KT16 8AP

Where a CD key is required to access on-line game play, this cannot be reproduced or replaced. It is the responsibility of the original purchaser to keep this CD key secure. Lost, stolen or damaged CD keys cannot be replaced.
